01

Concept.

Every couple has their dream wedding in mind & our goal is to make that come through our specially curated concept that you envisioned for their wedding.

02

Design & Moodboard.

Upon curating a concept for your space, we would create a design moodboard for you which comprises the theme, color palette and decor elements.

03

Actual Wedding.

Let our decor artisans get to work & transform the space into the dream wedding venue of your choice.
